

WORLD OF RADIO #1006, produced Oct 6, 1999 by Glenn Hauser

*Standard disclaimer

*New time for us on WWCR from Oct: UT Monday 0030 on 3215; all other WOR times on WWCR remain as before

*WorldSpace, direct satellite radio to Africa, inaugurated Oct 1, including World Radio Network; including World of Radio??

*Continent of Media 99-07 started on RFPI Oct 2; hope also now on <http://www.DXKing.com>

*We fill in for Kim Elliott again this week on Communications World, VOA News Now, one report aired in only one of the three slots UT Oct 9; see <http://www.trsc.com/cw>

*Bill Cheek, Monitoring Times Experimenter's Workshop columnist, diagnosed with incurable lung cancer and has no medical insurance; hobbyists asked to help with contributions to a trust fund at Union Bank of California, 8359 Mira Mesa Blvd, San Diego CA 92126; account no. 0771354719 payable to Bill or Cindy Cheek

*Monitoring Times Express, entire magazine now available in electronic form by subscription; sample the August issue at <http://www.grove-ent.com> or info from 1-800-438-8155, subscribe at order@grove-ent.com

*As I record on Oct 6, it's the deadline date for final decision to be made on drastic budget cuts to Deutsche Welle, but nothing yet on <http://www.dwelle.de> -- surely we'll have news in time for VOA CW

*Norway will not use 11 meters this winter contrary to plans

*Finland's winter evening English to North America frequency correxion

*Wales Radio International coming in very well last Saturday to North America; they have a competition for trips to Wales; transmitter sites

*Sir Paul McCartney series on BBC WS, Roots of Rock; Assignment is back for a new season: topics in October

*Online newspaper site: <http://www.thepaperboy.com> and links to audio news broadcasts

*(Recording) Paul David, England wants advice on setting up a radio station for the visually impaired: tel. 44 181 933 5913; E-mail pauldavid@brent.demon.co.uk or P-mail: Paul David, 24 Farnborough Close, Wembley, Middlesex HA9 9UP

*WOR 1006, thanking Jim Strader this week for financial support; wghauser@yahoo.com or P O Box 1684, Enid OK 73702 USA; fax if really necessary 1-580-233-2948 attn Hauser; our website <https://www.angelfire.com/ok/worldofradio>

*Special QSL card for October farewell broadcasts of La Estacion de la Alegria on Radio Nederland

*Another Tamil program via Madagascar, Tamil Broadcasting

*Mahendra Vaghjee quickly found frequency for reactivated Aydid Somali station, R. Mogadishu, V. of the People

*Election official says essential for Star Radio, Liberia to resume shortwave

*WSUI listeners' last chance to be reminded of R. St. Helena Day, Sat Oct 23 19-24 UT on 11092.5 USB; is return postage necessary? Many have not received QSLs for last year yet

*All but 5 Brazilian states went to DST October 3

*Brazilian waterfall second harmonic on 12 MHz

*Colombian clandestines still have websites, changed URLs: FARC: <http://burn.ucsd.edu/~farc-ep>

and ELN: <http://www.nadir.org/nadir/initiativ/rpl/span/rpl-s.htm>
Per Transmitter Documentation Project <http://www.transmitter.org>
*Caracol Florencia, Colombia, reactivated
*Voz de la Resistencia, Colombian clandestine changing frequencies
daily; more details in our DX Report 99-43
*AFRTS carried Perspective on only one frequency, not all three
*The Real Amateur Radio Show on WBCQ, time and date of start
*Radio 510 International: how we think the number/name was chosen
*WRMI heard using 7465 much earlier in evening, unjammed, including
Prague relays
*R. New Zealand International likes 17675 so much that it is dropping
9700
*Correxxions to previous report: Kununurra (note spelling) is in
Western Australia; HCJB project has no joint venture with US
government: U S Board mentioned referred to WRMF
*Australian Timor Hour underway, fairly good here on one frequency
*R. Pakistan World Service schedule shows reduction in English
*R. Sultanate of Oman has another English frequency, also blocked
here
*Memorial site for the late Bill Pfeiffer, both at
<http://bill-pfeiffer.n3.net> and <http://www.airwaves.com>
*Propagation outlook from Boulder, Oct 5; K-index peak 5; flux
peak only 160
*Remember to hear even more media news from us Oct. 9 on
Communications World, VOA News Now
*This has been the MVIth edition of WOR; me? I'm Glenn Hauser ####
